

**IT'S EASY TO BE A FRIEND...**  
**JOIN THE: *Friends of Washington Oaks***

The Friends of Washington Oaks is a community based “not for profit” Citizens Support Organization (CSO). Washington Oaks, like all State Parks, has needs beyond the State’s ability to provide.

CSO’s are designed to help provide volunteers to assist the Park Manager with work projects, to serve as guides, to promote and develop special events and educational opportunities.

A CSO can also raise funds; seek and receive grants; accept gifts and bequests of money, tangible and real property, to benefit the Park. One hundred percent of all proceeds benefits the Parks.
